Whenever required by the context, all words written in the singular shall also include the plural and vice versa.

I confirm to you (Mint Property Finance Limited):

INDEPENDENT ADVICE We understand and accept that, before signing this application form, we should obtain independent legal advice and independent financial advice as to the meaning and effect of the application, including the way in which signing this application form will make us liable for your costs and will give you our authority to obtain information about us.

FINANCE We accept that this application form is for short-term bridging finance. We accept that any loan will be secured on the property being offered as security. We understand that if we are offered a loan facility it will be subject to and conditional upon your credit committee approval, a satisfactory valuation, a satisfactory credit report, a report on title prepared by our solicitors and such other information, evidence or documentation as you may reasonably require, together with any such other conditions precedent as may be set out in or referred to in the loan facility agreement. Any finance will be repaid within the term provided for in the loan facility agreement or such extended term (if any) as shall have been agreed between you and us in writing. We will not make any financial commitments in reliance upon the proposed loan facility agreement. We will not hold you responsible at any time for any costs, charges or losses incurred or suffered by us as a result of your decision not to proceed with the proposed loan facility agreement.

YOUR COSTS In consideration for your processing our application (including by undertaking appropriate due diligence) following receipt of this application form, we agree to pay to you on demand, which may be made before any loan is drawn down, an arrangement fee, a set-up fee, an asset manager fee, a title indemnity insurance fee, and any costs incurred by you, including (without limitation) your legal and valuation costs, disbursements and/or expenses in relation to the proposed loan facility and all related or connected matters, including the costs of seeking to recover any sums due to you from us, all on an indemnity basis, whether or not an offer of a loan facility is made, and whether or not a loan is drawn down or any offer of a facility is withdrawn. The fees and costs referred to in this paragraph will not be refundable, and interest will be payable at 3% per month, calculated at the daily equivalent rate and compounded monthly, on any amounts which remain unpaid after they have fallen due (both before and after any issue of proceedings or judgment).

BROKER We authorise you and your solicitors to receive communications on our behalf from any broker whose name and contact details are entered on this form, and to give information to the broker as to the progress of our application, and in the management of any subsequent loan agreement we enter into. Unless or until we give you or your solicitor written notice that we are no longer using that Broker. If we use a new Broker, we will provide written confirmation of their details for you to continue to communicate with on our application and/or loan agreement. We accept that where we have used a broker we have done so of our own free choice. We acknowledge that any broker involved in the transaction shall be regarded as our agent and you are not responsible for their actions or advice. We authorise you to pay the applicable broker fee to them for us if the proposed loan facility agreement proceeds. We understand and accept that, if the proposed loan facility agreement proceeds, you will pay a certain percentage of the arrangement fee as commission to the broker, and that you may pay additional commission to the broker of up to 5% of the amount of the loan facility, based upon the volume of business the broker places with you. We understand and accept that these payments of commission by you to the broker may influence what the broker says or does in relation to the proposed loan facility agreement and may mean that the broker will not put our interests first.

NO AGENTS We understand and accept that any broker, independent financial adviser, accountant or lawyer who has assisted or does assist us in connection with introducing us to you or our application to you for finance is not your agent and you have no responsibility for anything said or done by any such intermediary or adviser.

INFORMATION ACCURACY We understand and accept that by signing this application form we confirm that the particulars set out in it are correct in every respect and that you will rely on the truth and accuracy of the information. CREDIT CHECKS We understand and accept that you will search our records at credit reference agencies ("CRAs") which will add details of your search to their records about us and that this will be seen by other organisations which make searches. This and other information about us and those with whom we are financially linked (which will include any joint applicants) may be used to make credit decisions about us and those with whom we are financially linked. The purpose of your searches will be to verify our identity and confirm our ability to meet the repayment obligations under the proposed loan facility agreement.

FRAUD CHECKS We understand and accept that in order to prevent or detect fraud and money laundering, and to verify our identity, the information provided in this application will be shared with fraud prevention agencies.
