FINANCE We accept that this application form is for short-term bridging finance. We accept that any loan will be secured on the property being offered as security. We understand that if the applicant is offered a loan facility it will be subject to and conditional upon your credit committee approval, a satisfactory valuation, a satisfactory credit report, a report on title prepared by the applicant's solicitors and such other information, evidence or documentation as you may reasonably require, together with any such other conditions precedent as may be set out in or referred to in the loan facility agreement. Any finance is required to be repaid within the term provided for in the loan facility agreement or such extended term (if any) as shall have been agreed between you and the applicant/borrower in writing. The applicant will not make any financial commitments in reliance upon the proposed loan facility agreement. We will not hold you responsible at any time for any costs, charges or losses incurred or suffered by us as a result of your decision not to proceed with the proposed loan facility agreement.

YOUR COSTS In consideration for your processing the application (including by undertaking appropriate due diligence) following receipt of this application form, we agree to pay to you on demand, which may be made before any loan is drawn down, an arrangement fee, a set-up fee, an asset manager fee, a title indemnity insurance fee, and any costs incurred by you, including (without limitation) your legal and valuation costs, disbursements and/or expenses in relation to the proposed loan facility and all related or connected matters, including the costs of seeking to recover any sums due to you from us, all on an indemnity basis, whether or not an offer of a loan facility is made, and whether or not a loan is drawn down or any offer of a facility is withdrawn.
